

BHESCO

Brighton & Hove Energy Services Co-operative

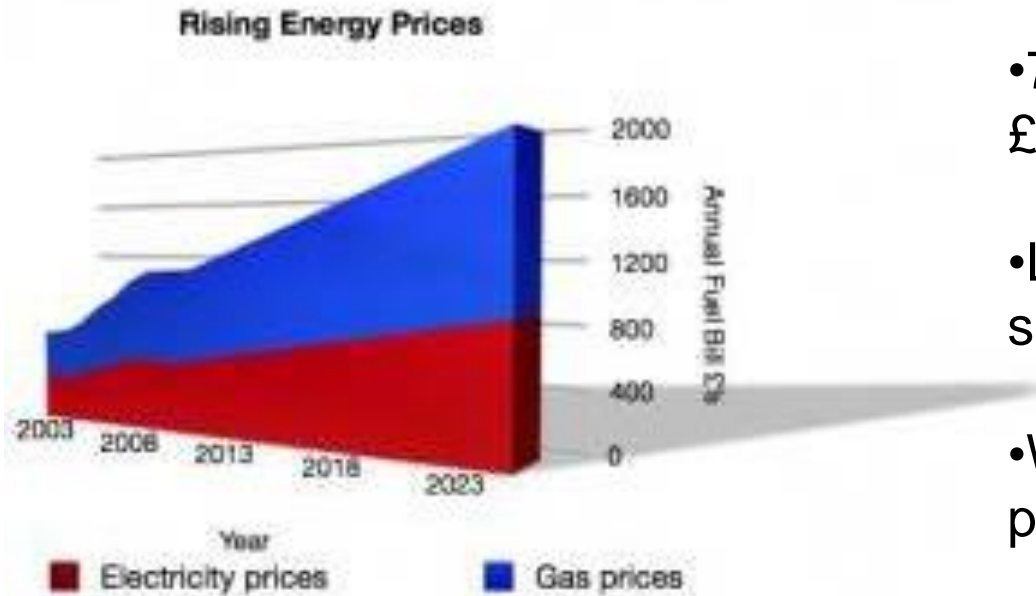

Kayla Ente, Founder / Chief Executive

*Innovation in Community-led energy efficiency
Exeter Community Energy*

INNOVATION

Why community energy?

Source: BHESCO from OFGEM projections

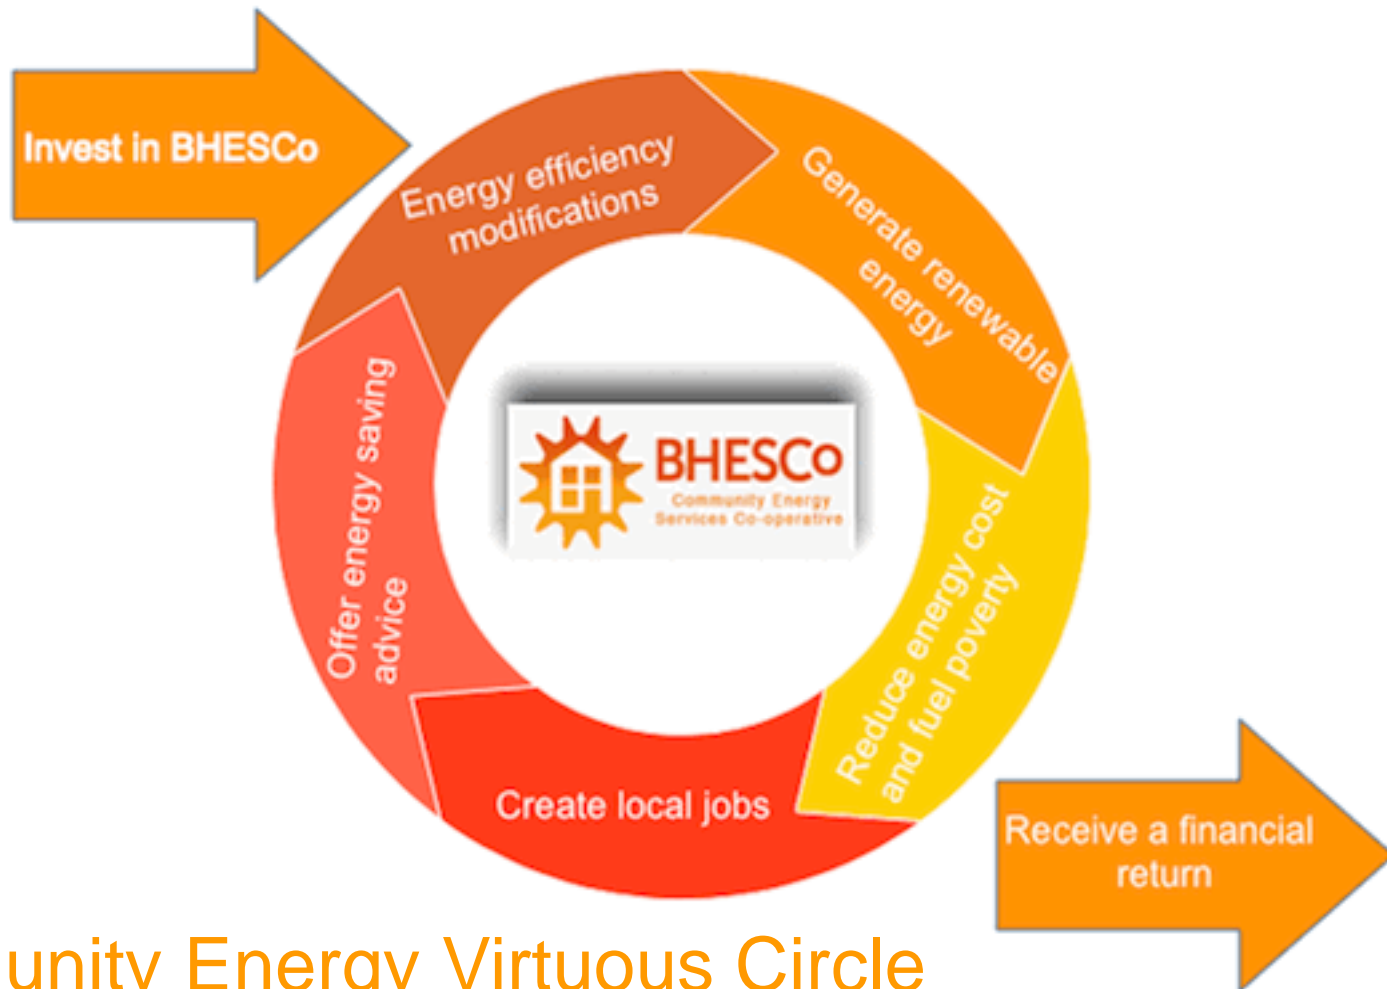

- Big Six serve 90% of market
- 70% of people pay too much - £2 Billion overpaid
- Lack of trust in existing suppliers
- Wholesale price rises 8-12% per year
- Addiction to fossil fuels is destroying our quality of life

Fuel Poverty in Britain

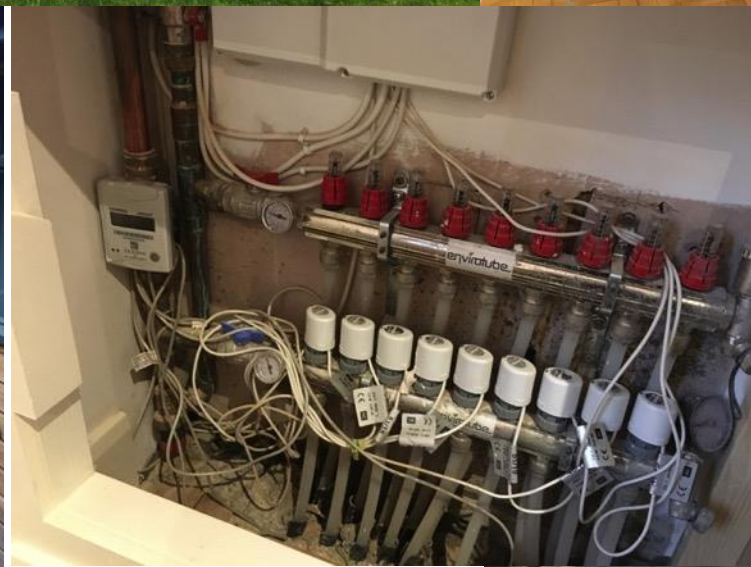

Community Energy Business model

Community Energy Virtuous Circle
